It is the intent of this Section to prohibit cumulative voting.

ARTICLE VII
COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

The Association shall also have the authority, through the Board of Directors, to establish, fix and levy a special assessment on any Lot to secure the liability of the Owner thereof to the association arising from breach by such Owner of any of the provisions of this Declaration which breach shall require the expenditure of time and money or both, by the Association for repair or remedy.

Each Owner covenants, for himself, his heirs, successors and assigns, to pay each assessment levied by the Association on the Lot described in such conveyance to him within ten (10) days of the due date as established by the Board, and further covenants that if said assessment shall not be paid within thirty (30) days of the due date, the payment of such assessment shall be in default and the amount thereof become a lien upon said Owner's Lot as provided herein and shall continue to be such lien until fully paid.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the paying of Common Expenses to promote the recreation, health, safety, and welfare of the Owners of Lots; and, in particular, but not limited to, for the acquisition, improvement and maintenance of services, amenities and facilities, and for the use and enjoyment of the Common Properties, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Properties, the procurement and maintenance of insurance in accordance with the Bylaws or as deemed appropriate by the Board, the employment of counsel, accountants, managers, engineers, and other professionals for the Association when necessary, the payment for maintenance, operation, and escrow under any Stormwater Agreement; the payment of any assessments due pursuant to the Master Declaration; and such other needs as may arise.

Section 3. Amount of Assessment.

(a) Criteria for establishing Annual Assessment. In establishing the annual assessment for any assessment year, the Board of Directors shall consider all current cost and expenses of the Association, any accrued debts, and reserves for future needs.

(b) Regular Assessments; Initial Contribution to Working Capital. Until such time as the Board affirmatively establishes an initial assessment, the assessment shall be \$324.00 annually based on the calendar year; such annual assessment for each Lot shall commence at the time of the first conveyance of the Lot by Declarant (the "First Sale"), prorated on a calendar year basis. In addition, each Lot shall be assessed a one time or initial contribution to working capital fee of \$100.00 at the time of the closing of the First Sale. This one-time fee shall not be considered an advance of the regular or annual assessment. Thereafter, the Board of Directors shall fix the annual assessment. The Board of Directors, or any adjudicatory panel established by the Board, may levy a reasonable Fine Assessment as a fine or penalty for violation of this Declaration. In addition, the Board may enact additional fees for late payments, fees for providing written assessment certificates setting forth all current and delinquent assessment charges, and fees to transfer ownership of a Lot upon the Association's records.

Section 4. Special Assessments for Capital Improvements.
