After Termination of Declarant Control, a copy of any Standards promulgated by the Committee shall be subject to approval by the Board. After the Board's approval, a copy of the Standards will be made available to all Members.
- D. Requirement of Committee Approval.** No Improvement of any kind shall be erected, placed or maintained, and no addition, alteration, modification or change to any Improvement shall be made without the prior written approval of the Committee. For purposes of this Declaration, Declarant Improvements means any improvement erected, placed, or maintained with the approval of Declarant, including, without limitation, any building, wall, fence, swimming pool, or screened enclosure, constructed, installed or placed by or with the approval of Declarant prior to the Termination of Declarant Control (collectively, "Declarant improvements"). Notwithstanding anything to the contrary contained above, Declarant Improvements are not subject to the approval of the Committee and are deemed to conform to the plan of development for the Property.

Obtaining Committee Approval.** In order to obtain the approval of the Committee, a complete set of plans and specifications ("Plans") for proposed improvements shall be submitted to the Committee for its review. The Plans shall include, as appropriate, the proposed location, grade, elevations, shape.

The Committee may also require the submission of additional information and materials as may be reasonably necessary for the Committee to evaluate the proposed improvement or alteration ("Submissions"). The Committee shall have the right to refuse to approve any proposed Plans that in its sole discretion, are not suitable or desirable. Any and all approvals or disapprovals of the Committee shall be in writing and shall be sent to each respective Owner submitting same. The approval by the Committee relates only to the aesthetics of the Improvements shown on the Plans and Submissions and not to their sufficiency or adequacy.
