All assessments, together with interest and late charges set forth in the Article and all costs and reasonable attorney's fees for collection, shall be a charge and continuing lien upon the Lot against which each such assessment is made. Each such assessment or charge, together with interest, fees, costs and reasonable attorney's fees, shall also be the personal or corporate obligation of the person(s), firm(s) or corporation(s) owning such Lot at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them; however, the unpaid assessments and charges shall continue to be a lien upon the Lot against which the assessment or charge was made.

The Association shall also have the authority, through the Board of Directors, to establish, fix and levy a special assessment on any Lot to secure the liability of the Owner thereof to the Association arising from breach by such Owner of any of the provisions of this Declaration which breach shall require the expenditure of time and money or both, by the Association for repair or remedy.

Each Class A Owner covenants, for himself, his heirs, successors and assigns, to pay each assessment levied by the Association on the Lot described in such conveyance to him by the due date as established by the

Board, and further covenants that if said assessment shall not be paid within thirty (30) days of the due date, the payment of such assessment shall be in default and the amount thereof become a lien upon said Owner's Lot as provided herein and shall continue to be such lien until fully paid.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the subdivision; and, in particular, but not limited to, for the acquisition, improvement and maintenance of services, amenities and facilities, and for the use and enjoyment of the Common Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Area, the procurement and maintenance of insurance in accordance with this Declaration, the employment of counsel, accountants, managers, engineers, security personnel, and other professionals for the Association when necessary, the payment for maintenance and operation, under the Stormwater Agreement and for street lights; and such other needs as may arise.

Section 3. Regular Assessments; Initial Contribution to Working Capital; Fine Assessments. Until December 31, 2019, the initial regular assessment shall be \$150.00 annually based on the calendar year; such annual assessment for each Lot shall commence at the time of the first conveyance of an improved Lot (the "First Sale"), prorated on a calendar year basis. In addition, each Lot shall be assessed a one time or initial contribution to working capital fee of \$200.00 at the time of the closing of the First Sale. This one-time fee shall not be considered an advance of the regular or annual assessment.

Beginning January 1, 2019 and during the Period of Declarant Control, the Board of Directors shall adopt an annual budget and fix the annual assessment.

After the Period of Declarant Control expires, the Board of Directors shall adopt a proposed budget at least annually. Within 30 days after adoption of the proposed budget, the Board of Directors shall send a copy of the proposed budget and shall give written notice to the Members of a meeting of the Members to consider ratification of the budget, such meeting to be held not sooner than 10 days nor more than 60 days after the mailing of such notice. Such meeting may, but need not be, combined with the annual meeting of the Members. There shall be no requirement that a quorum be present in order to vote on ratification of the budget. The budget shall be deemed ratified unless at that meeting Members having a majority of the votes of the entire membership vote to reject the budget. Notwithstanding the forgoing, if the budget provides for annual assessments not greater than 10% larger than the assessment in effect for the immediately preceding year, such budget shall be deemed ratified unless Members having at least 80% of the votes of the entire membership vote to reject the budget. If the proposed budget is rejected, the budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board. Any annual assessment ratified by the Members shall continue thereafter from year to year as the annual assessment until changed by the Board and ratified by Members as set forth herein.

The Board of Directors, or any adjudicatory panel established by the Board, may levy a reasonable Fine Assessment as a fine or penalty for any violation of this Declaration. In addition, the Board may enact additional fees for late payments, fees for providing written assessment certificates setting forth all current and delinquent assessment charges, and fees to transfer ownership of a Lot upon the Association's records.

Section 4. Special Assessments for Capital Improvements. In addition to the regular and fee assessments authorized above, the Board may levy, in any assessment year, a special assessment for the purpose of defraying, in whole or in part the cost of any construction, reconstruction, restoration, repair or replacement of a capital improvement upon the Common Area, any extraordinary maintenance or other expense, including fixtures and personal property related thereto and any property for which the Association is responsible.

Section 5. Replacement Reserve. Out of the Common Expenses assessment, the Board may create and maintain a reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Area which the Association may be obligated to maintain.

Section 6. Individual Assessment. In the event that the need for maintenance, repair or replacement of any improvement on the Property, for which the Association has the maintenance, repair and/or replacement obligation, is caused through the willful or negligent act of an Owner, his family, his pet(s), his tenant or his guest, the cost of such maintenance, repairs or replacements shall be paid by such Owner. The Board shall have the maintenance, repair, or replacement done, and the cost thereof shall be provided by the Board to said Owner and shall be paid by said Owner within thirty (30) days thereafter, unless an earlier date is otherwise set forth therein.

Section 7. Date of Commencement of Annual Assessments; Due Dates. Annual assessments shall not commence until the First Sale as set forth in Section 3 above. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within ten (10) days after the due date shall be delinquent, in default and shall incur such late charge as the Board of Directors may from time to time establish, and if not paid within thirty (30) days after the due date, shall also bear interest from the due date at the rate of eighteen percent (18%) per annum or at such other reasonable rate set by the Association in its minutes, not to exceed the highest rate then permitted by North Carolina law. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same plus interest, costs, late payment charges and reasonable attorneys' fees, and/or foreclose the lien against the Lot for which such assessment is due. Interest, late payment charges, reasonable attorneys' fees and the costs of such action or foreclosure shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

The lien herein granted unto the Association shall be enforceable pursuant to Chapter 47F of the Planned Community Act of North Carolina ("PCA") from and after the time of recording a Claim of Lien in the Office of the Clerk of Superior Court in the County in which the Lot is located in the manner provided therefore by the PCA, which claim shall state the description of the Lot encumbered thereby, the name of the record owner, the amount due and date when due. The claim of lien shall be recordable any time after thirty (30) days after the due date of the assessment or any installment thereof and the lien shall continue in effect until all sums secured by said lien as herein provided shall have been fully paid. Such claims of lien shall include all assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed by an officer or agent of the Association. In any foreclosure action, the Association shall be entitled to become a purchaser at the foreclosure sale. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage on said Lot. Sale or transfer of any Lot shall not affect the assessment lien; however, the sale or transfer of any Lot pursuant to first mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, but shall not abate the personal obligation of the prior owner. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. Any property dedicated to, and accepted by, a public authority and any property owned by the Association shall be exempt from the assessments created herein. Notwithstanding the foregoing, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Miscellaneous.

- (a) An Owner has the sole responsibility of keeping the Association informed of the Owner's current address if different from the Lot owned. Otherwise, notice sent by the Association to the Lot is sufficient for any notice requirement under this Declaration.
- (b) The lien under this Article arises automatically and no notice of lien need be recorded to make the lien effective.
