Owner is responsible for obtaining all city/county required zoning permits, zoning variances if necessary and approvals. Trash containers are to be used on site. NO CONTRACTORS SIGNS and no access/ingress/egress over common areas unless approved by Declarant/Association management prior to start of work.

The ARB requires a copy of your plot plan with the location of any requested structure/landscaping clearly marked on the plot plan. Include a picture of what the finished structure will look like, stating the dimensions, materials to be used and the color schemes. Once complete, email the proposal package to info@southeasternhoa.com or utilize the Owners Portal.
